

News Update

October has been a busy month for all of us as we prepare for the forthcoming launch of **Soul Purpose**, which is now just three weeks away.

We have completed the registration of the new company at Companies House. Our registered office and number are shown overleaf.

A new telephone line has been installed and you can now contact us on 08702 405591. This number replaces all previous numbers as a single point of contact for **Soul Purpose**.

Our new website goes live at the beginning of November, carrying full details of all of our courses and activities. There is also a Community section providing information and inspiration for Turning Pointers past and future. Please make a note to log on to www.SoulPurpose.org.uk and see for yourself. We value your comments.

September's Evening Seminar was well attended and lived up to its billing. Graham's inspirational leadership left everybody clamouring for more. Old friends were reunited whilst future course participants experienced their first taste of the power of the Turning Point. The second seminar "Reconnecting With Being Alive" takes place on Tuesday, so make a note to join us there. See overleaf for full details.

Our Launch Celebration takes place on Saturday 15th November. Your invitation is enclosed and we look forward to seeing you there. Family and friends are welcome, so why not make a day of it. To assist with the catering arrangements, please let us know by telephone or e-mail if you will be attending, with the names of all members of your party.

Our first Turning Point course starts on Friday 28th November. Graham will be teaching the course with Peter Lorenzo as Administrator. The large Service Team includes some familiar faces and several newcomers from the recent Nature of Service course. If you know anybody who would like to sign up for the course, please ask them to contact us or let us have their details to enable us to speak to them.

Membership of our online discussion group has increased to around sixty and this useful tool will eventually be transferred into our own website. In the meantime, if you would like to join the group, please send an e-mail to Tim Ridge. His address is TimRidge1@compuserve.com

Finally, as we put the finishing touches to our calendar for 2004 we are looking for Administrators and Service Teams for Turning Point, Nature of Service, Point of Choice and Mysteries of Life and Death courses. Don't wait to be asked. Pick up the phone now and talk to us about dates and venues. There's something for everyone in 2004, so now is the time to get off the fence and join us.

We hope that you will be able to join us for a memorable evening. The Seminar will take place at the Amadeus Centre, situated a short walk from Little Venice and Warwick Avenue Tube Station on the Bakerloo Line.

Our regular Introductory Evenings at the Enfield Civic Centre continue on the first Wednesday of each month, with the next one taking place on 5th November.
